Pennaeth / Headteacher: Mr Dorian Pugh

August 12th, 2020

Dear parent / carer

I hope that as families and the school community we continue to be healthy and safe during the summer holidays.

I am writing to update you in relation to next week's GCSE results day arrangements, on Thursday August 20th. Unfortunately, we will not be able to welcome pupils to the school site to collect the results this year as is the case annually due to the limitations of Covid19. Results will instead be sent directly to the pupils. Please see the following arrangements:

- As a school, we will send results out to pupils' **school e-mail account** @cerenet after 8am. For GDPR reasons, we are not allowed to send the results to other emails such as @hotmail or @gmail.
- We are not allowed to send the results to parents'/carers' e-mails as these are pupils' results. Nor will we be able to share results with parents/carers over the telephone.
- We will phone all pupils during Thursday, August 20th to ensure that they have received the results and discuss any matters.
- Paper copies of the results will be posted out to each pupil.

We appreciate that this has been a difficult time for pupils to undertake the GCSE courses. See link below for further information relating to the setting of final grades for pupils:

If you have any questions please do not hesitate to contact.

Best regards,

Dorian Pugh  
Headteacher
